

New Compatible Pluggable Optical Module Supplier in Nigeria

Overview

NEC XON, an African systems integrator, has announced a strategic partnership with Smartoptics to introduce a new era of pluggable optical solutions for the continent. For years, African businesses have had to choose between costly OEM modules or generic imports with long lead times and no local. JOHANNESBURG, (CAJ News) – AFRICAN businesses can now access faster, more affordable, and locally supported optical networking technology following the launch of the continent's first locally backed Small Form-factor Pluggable (SFP) solution. The innovation is the result of a strategic partnership. Nigeria Optical Module Directory provides list of Made in Nigeria Optical Module Products supplied by reliable Nigeria Optical Module Manufacturers, Traders and Companies. Don't know your target market?

Wanted to market your Optical Module products globally?

Join TradeFord. com to list your products. SFP (Small Form-factor Pluggable) modules are compact, hot-swappable devices that connect network hardware, such as switches and routers, to fiber optic or copper cables. At RapidBTS, we sell a variety of high-quality fiber SFP modules that ensure seamless and efficient data transmission. As the standard for high-speed FC.
