

South African home electrical distribution box manufacturer

Overview

Brands like York, Okari, Enlec, Utilec ©, PSO1 and PSO2 are well known in the South African market and are all solely manufactured by Allbro in South Africa. Local manufacture to international standards means that products are suited to the rigors of an extremely tough local. Power Process Systems is an electrical enclosure and distribution equipment manufacturer. At our fully equipped manufacturing, assembly and wiring facilities in Gauteng and the Western Cape, we produce all components of our products in-house. Based in Cape Town, South Africa, Polybox has a very simple mission to design and manufacture high-quality electrical. Find out what exactly our devices offer and check our Environmental Data Programme. Modular electrical distribution box A distribution box built to make the work easier for the electrical contractor. However, this will mainly depend on the unique way in which you wish to. Allbro supplies key components that are used in almost every locally made transformer. With the acquisition of ABB's South African enclosure business (York) in 2011, Allbro also became a leading supplier of non-metallic enclosures to the industrial, commercial and residential contracting trades. Our team consists of ECSA registered Professionals and highly trained Engineers.
