

## Swiss cable tray fittings manufacturer

### Overview

Swisscables – signal- and power-products – incorporate latest generation metallurgy, application specific, field-optimizing conductor geometry, premium connectors and novel microdistortion-free insulation technologies whose sonic benefits cannot be achieved with the materials. Swisscables – signal- and power-products – incorporate latest generation metallurgy, application specific, field-optimizing conductor geometry, premium connectors and novel microdistortion-free insulation technologies whose sonic benefits cannot be achieved with the materials. Chalfant Ladder Cable Tray Systems are ideal for indoor and outdoor cable management. They provide reliability, ease of installation, and cost savings both initially and long term. With multiple finishes available, we have the perfect ladder tray for any environment. A trusted partner to Swiss industry since 1998. Our three main areas of business are sales, consulting, assembly production, and manufacturing. Whether specifying a major new project, refurbishing existing facilities or doing the engineering, procurement and construction (EPC) for your end user, with T&B Cabletray, ABB offers reliable solutions du g conforming to ASTM A123 & ISO 1461 : m. Brugg Cables was founded more than 120 years ago by Gottlieb Suhner, and has grown to be one of the world's leading cable manufacturers. Our unique selling points have not changed in the intervening years: our strong customer focus and our highly skilled employees. Our focus has been on innovation. Based on the resources of one of high end's most distinguished design companies, the swisscables product range offers truly innovative technical design and sonic merits at a groundbreaking price-performance level, manufactured to the highest standards in Switzerland. Cable trays are used as an alternative to open wiring or electrical conduit systems, and are commonly used for cable management in commercial and industrial construction.
